Customer *Bulletin Board*

Dear Friends: From time to time we get requests from some of you, requesting the name of persons interested in a certain area of numismatics, or for the name of a buyer of a certain item, so that you might correspond with him. Since we never divulge names and addresses without first obtaining permission from the party involved, we often cannot honor such requests.

Thinking we might perform a much needed service for many of our friends, we are initiating this customer bulletin board, and we invite you to make use of it whenever you feel it might be of some help to you.

With the exception that we might want to edit or omit anything that might not seem to us to be in good taste, or might compromise someone else, we will be very happy to print your message in forthcoming catalogs, with the available space allotted on a first come, first served basis.

Here are a few for starters:

- | | |
|----------------|---|
| Fred Borgmann | P. O. Box 213, Decatur, Illinois 62525, would like to hear from persons interested in pre-Nazi German medals. |
| Verne Walrafen | 1130 E. 35th Terrace, Topeka, Kansas 66605, a collector and researcher in the Mexican Revolutionary field, would like to share data with persons of similar interests. |
| Don Fisher | P. O. Box 21, Decatur, Illinois 62525, has developed a keen interest in the obsolete bank notes of Illinois, and will trade duplicates or buy ones that he does not have. Don would also like information on any unlisted notes, even though they might not be for sale or trade. |

It is most unfortunate that major conventions are held on conflicting dates, however, anyone having experience in booking hotels fully understands the problem.

WILLIAM R. HIGGINS, JR.

Okoboji, Iowa

"Bill" was born April 14, 1913, the son of William R. Higgins, who originally came from Triumph, Illinois, and Bessie Carroll Higgins, who moved from Shawneetown, Illinois, to Spencer, Iowa, in 1898.

Bill attended grade and high school in Spencer, Iowa, then graduated from Drake University, in Des Moines, Iowa, with an L.L.B. in 1936. Later he received his J.D. Degree in law, also from Drake. Bill is a member of Alpha Tau Omega and Phi Alpha Delta Fraternities.

World War II claimed three and one-half years of Bill's life, during which he attended Radio School at Scott Field, Belleville, Illinois, followed by a short stint as a radio operator in China. Bill was promoted to First Sergeant of the 425th Bomb. Sqd. (H), 308th Bomb. Gp. (H); 14th Air Force, which was commanded by General Claire Chennault of "Flying Tiger" fame.

Bill started collecting U.S. coins as a boy, became interested in Chinese Silver Dollars during his two and one-half year service tour there, then became a very serious collector of "World Crowns" following his separation from the Service. His Crown collection, one of the most outstanding ever assembled, was sold by Jess Peters, Inc., in three separate auction sales.

Bill is now collecting National Bank Notes, and serving as President of the "WILLIAM R. HIGGINS, JR. FOUNDATION," - a non-profit corporation devoted to the preservation of National Bank Notes, Relics, Documents, and Historic evidence of the Independent Banking System as it existed in the U.S., and the exhibition of such items to the Public in a suitable museum and library. The museum, at Okoboji, Iowa, is presently under construction.

Bill somehow found time, along with his Numismatic interests, to serve as Mayor of Okoboji from 1960 to 1971.

Persons interested in contacting Bill about his National Bank Note interests may do so by writing to Bill at P. O. Box 61, Okoboji, Iowa 51355.

RAY BYRNE
Delray Beach, Florida

Ray, well known to the Numismatic fraternity for his outstanding contributions to the "Coins, Tokens and Medals of the Caribees" field, is once again sharing with his friends, by offering his most extensive library for public auction.

Ray's Caribbean Collection was sold in June of this year, by Jess Peters, Inc., capturing the interest of all of the major collectors of this fascinating series. It is a tribute to Ray that the catalog of his sale is rapidly becoming 'The' Reference Work, and no doubt it will remain so for years to come.

It might seem to some, that with the sale of his fantastic Caribbean collection, followed by this present offering of his library, that Ray's interest in coins has waned. Happily this is not the case. Ray at present is working on a new series, just as avidly as he had worked on the Caribbean area; his new interest being the "Spanish Royalist Copper Coins" of both Latin America and the Philippines. As in the past, Ray is devoting his time and talents to both collecting and researching, and then sharing his efforts with others by writing about his discoveries. Look for his articles in future numismatic publications.

Ray will be most happy to receive correspondence from persons having a similar interest, and those desiring to do so may contact Ray at P. O. Drawer W, Delray Beach, Florida 33444.

TERMS OF SALE

This is a Mail Bid Sale as well as a Public Auction. Mail Bids will be accepted for both the Public Auction Sessions, as well as the Mail Bid Section. We act as the Agent for all Mail Bidders and will secure the lot for the Mail Bidder at the next regular advance over the second high bid, whether by Mail or by Person. There is no charge for this service, and in many cases a Mail Bidder will receive a lot at a much lower figure than the maximum authorized. Mail Bids will be accepted until the actual starting time for each Public Session, and until 5:00 P.M. September 30th for the Mail Bid only part.

All lots offered will be sold to the highest bidder without reserve.

All items offered are guaranteed to be genuine and as listed.

Lots to be mailed to addresses not in the United States of America or its Territories, will be made only at the risk of the purchaser. We cannot obtain insurance on material sent by U.S. Registered Mail to other countries; therefore, bidders must provide their own insurance or assume the risk of non-delivery. We can obtain insurance for small amounts when shipping by U.S. Air Parcel Post or for larger amounts when shipping by Air Freight through a private carrier. Both Parcel Post and Air Freight require that we furnish a detailed listing of the contents of the package, as well as the price of each item. Since this information is placed on the outside of the package, we feel it only adds to the risk of non-delivery. Foreign bidders must supply full detailed shipping instructions and agree to all terms as listed hereon, before shipment will be made.

Error on the part of the Cataloguer will be cheerfully corrected. Please check your bid sheet carefully, as we cannot accept responsibility for the errors of others.

Postage and insurance will be added to all lots sent by mail. Unless otherwise indicated by the bidder, we will use our own discretion as to whether material will be sent by Air or Surface Mail.

State Sales Tax will be added where applicable.

Terms are Cash. Checks payable in U.S. funds only will be accepted from persons known to us, or from those who furnish satisfactory references and proper identification. We must have ample time to check references if they are to be acceptable to us. Payments made by Bank Transfer from foreign accounts must be made in U.S. Dollars to the Account of Jess Peters, Inc., in care of the First National Bank of Decatur, through any U.S. correspondent bank.

Title to all coins remains with the cataloguer until paid for in full.

Material offered in this sale may be examined by appointment only, at our bank, during banking hours through September 24th, and at the Auction Site prior to each session.

Prices Realized lists will be sent to all persons on our subscription plan. Others may order them at \$1, and we appreciate payment being made with the request. Lists are usually mailed within ten days after the sale closes.

We normally issue at least 8 Mail Bid and/or Public Auction Sales each year. Sample catalogs will be sent persons requesting them. Free by surface mail or to U.S. addresses. Air service to other countries is available. Please inquire about charges.

CONSIGNMENTS ARE SOLICITED FOR FUTURE SALES.
